

Mystical Mermaid
Sarah Ho.

I am an artist of all types. I am proud to have my own business for selling my handmade jewelry, card and crafts. I am an 18-year cancer survivor. With the support of my family, I beat cancer when I was 9 years old. Now I use the life God has given me to create art and laughter as I work towards greater independence with the support of my community.

Growing up, my mother's interests and passion for arts introduced me to some skills at a young age. I have always carried a love of art and creating new and unique things.

My parents and 3 older brothers always encouraged me in my art and craft skills. I enjoy expressing myself through art. I enjoy seeing people wearing my jewelry creations. Through my business and sales around the city, I feel connected with the bigger community and people all over the country.
