Pathway Healthcare will open on the campus of St. Vincent's East, and its location will serve as the company's national training facility for its doctors, nurses and counselors.

A drug and alcohol treatment provider says it is opening its flagship office in Birmingham.

Pathway Healthcare will open on the campus of St. Vincent's East, and its location will serve as the company's national training facility for its doctors, nurses and counselors.

Pathway Healthcare specializes in treating opioid use disorder, alcohol dependency, and other drug use disorders through a proprietary care model combining medication-assisted treatment with behavioral counseling.
