Alabama Regional Medical Services (ARMS) is excited to announce that they have opened a new location named Northside Health Center. The ARMS Northside Health Center is located at 3200 27th Street N, Suite C, Birmingham, AL 35207.

CEO Anthony Gardner is looking forward to the expansion of the ARMS healthcare centers. He stated "the opening of the new ARMS Northside Health Center is a huge step towards providing healthcare to all of those that are in the Birmingham metropolitan area. We welcome patients, old and new, with open ARMS." The following healthcare services are provided by ARMS, regardless of a patient's

ability to pay: Primary Health Care, OB/GYN, Pediatric, Behavioral/Mental Health, Black Lung Screenings, Dental, and Podiatry services.

ARMS is a Federally Qualified Health Center (FQHC) that has been serving the greater Birmingham area since 1983. ARMS offers healthcare services at affordable costs for the entire family and is breaking down access barriers by being a Primary Care Medical Home (PCMH) to the underserved, uninsured, under-insured, low-income and homeless individuals in our community.
