Mental Health Foundation selling leaves for Tree of Life

For The News Courier Dec 23, 2017

Those who want to honor a loved one while also helping the local Foundation for Mental Health may want to consider purchasing a leaf on the Tree of Life.

The foundation is offering the community an opportunity to purchase a leaf for \$100, which includes an inscription. The tree display was created by a local craftsman and is on display at the Mental Health Center of North Central Alabama's administrative offices in Decatur.

"(The) Tree of Life is an excellent way to honor or remember a special person," said a press release about the fundraiser. "Honorariums and Memorials provide a way to express appreciation, love, and respect."

Those who purchase a leaf may choose to have a notification sent to the person honored or the family of the person being memorialized.

The leaves may be purchased online at app.etapestry.com/onlineforms/MentalHealthCenterofNorth/TOL.html.

Those with questions should call 256-260-7325 or send an email to Foundation@mhcnc.org.
