FLORENCE -- A town hall meeting will be at 6:30 p.m. Monday at Riverbend Center for Mental Health to discuss possible funding cuts for mental health services in Alabama.

It is a public meeting. The building is in the gymnasium of the Riverbend activities building.

State officials have indicated possible cuts to the Alabama Department of Mental Health, which would trickle down to local mental health providers across the state. Locally, services provided by The Arc of the Shoals, Riverbend and SCOPE 310 are threatened.

For more information, call Riverbend at 256-764-3431.
