The 2nd Annual UA Awareness Walk will take place on Sunday, April 3rd from 1-3 PM. We will be walking from the Counseling Center to the Walk of Champions in front of Bryant Denny, and participants will hear stories from those who have struggle with their mental well-being. We're walking to raise awareness about suicide prevention, as well as campus resources available to students relating to their mental health. Bring your ACTION card to swipe in, and you can also earn SLPro hours. We hope to see you there supporting this important cause!
