HUNTSVILLE, AL (WAFF) - Local singer, songwriter [Victoria Jones](#) is a small girl with a big voice and an even bigger mission.

On Thursday, October 18 Jones alongside comedian Mike James, and artist Lamont Landers will share their talents at [Little Orange Fish's: Feelings are Real-Expressions in Laughter](#), a fundraiser to support mental health education and awareness in North Alabama.

All the proceeds will go directly to support educating K-12 teachers in Alabama on how to recognize and effectively respond to emotional distress and other mental and behavioral health issues in students.
