The Lee County CARES Coalition met on yesterday November 18, 2014. Attendance was great and excitement was in the air. Chelsea Neighbors, Prevention Specialist led the meeting and shared updates on Prevention Progress and upcoming activities with attendees. Their Red Ribbon Campaign was a success; pictures of decorated doors from various schools in the Lee County area were highlighted. They are gearing up and putting their hats on in preparation for **Project Graduation**. Project Graduation is an annual parent/community-sponsored event providing a safe haven for graduates on what is known to be one of the most dangerous nights for a young person. Project Graduation hosts a “Drug/Alcohol Free Party to Remember!” Students win prizes, play games and can dance the night away with friends till 3am. For more info on Project Graduation visit their Facebook Page <https://www.facebook.com/aubprojgrad2014>

Important Information: Auburn Cracking Down on FAKE ID's

645 Fake ID's confiscated by one business in the city of Auburn (2012, CARES Coalition)
