***STRATEGIC PLAN***

***FY 19-21***

The remaining 45 members of the ECMH staff are aide level, clerical, and/or administrative.

**II. CURRENT STATUS**

The mental health center provided services in FY 12 to 3,057 clients, during FY 13 to 2,949 clients, during FY 14 to 3,094 clients, during FY 15 to 3,002 clients, during FY 16 to 2,861 clients, during FY 17 to 2,773 clients and 2,975 clients during FY 18. During FY 18 the following services were provided: adult outpatient services; child and adolescent outpatient services; outpatient DD day training; adult, child and adolescent, and DD case management; adult In-Home services; child and adolescent In-Home services; adult Rehabilitation Day programs; substance abuse intensive outpatient services; mental illness/substance abuse dual-diagnosis in Bullock County and Macon County; emergency services; adult residential care to include: foster home, DD supportive community living, therapeutic group home, behavioral residential services and a crisis residential facility; consultation and education services; housing; Juvenile Court and Probate Court liaison; and, testing services in conjunction with the Department of Youth Services.

The center currently operates with an annual budget of \$ 9,333,173.00. Funds for this budget are derived from a variety of services including State, Federal, private pay, private insurance, local governments, United Way, contracts with local agencies and grants.

**II. ASSESSMENT OF STAKEHOLDERS:**

This plan was developed by the East Central Mental Health Center Board of Directors at its March 2019 planning retreat in conjunction with the Leadership Team of East Central Mental Health. The Leadership Team provided information gained from a variety of sources involving mentally ill consumer's, intellectually disabled consumers, family members, probate judges, payers and community leaders.

***EAST CENTRAL MENTAL HEALTH CENTER***

***STRATEGIC PLAN***

***FY 19-21***

**This information was gathered from family and consumer satisfaction surveys, community meetings, probate judge meetings, consumer and family meetings, complaint procedures, payor inquires and general feedback from the community at large. The greatest area of unmet need as identified is for the provision of Intensive Outpatient Substance Abuse services in Bullock and Macon Counties.**

**III. MISSION:**

**The Mission of East Central Mental Health Center is to provide quality mental health, developmental disabilities and substance abuse services within the limits of available resources to citizens of Bullock, Macon and Pike Counties, and assure that these services are provided with respect for the individual dignity and privacy in the least restrictive environment necessary to promote recovery.**

**V. VISION**

**East Central's vision is that quality mental health, developmental disability, and substance abuse services will promote the health and general welfare of the people of Bullock, Macon and Pike Counties.**

**VI. VALUE AND PHILOSOPHY:**

**East Central is committed to providing services that will promote consumer, family and provider positive relationships. To establish priorities for services to be provided with primary emphasis on the seriously mentally ill (SMI) adults and seriously emotionally disturbed (SED) children and adolescents, substance abusers and the adult developmental disabled population, with an emphasis and commitment to protect individual's rights. Agency philosophy reflects the organization's provision and availability of services through positive approaches that are dignified and**

respectful and demonstrate the achievement of outcomes unique to each individual. East Central has a Continuous Quality Improvement program (CQI) that monitors and evaluates all programs through the CQI process. Through the CQI process the Board of Directors receives input on services provided and consumer input concerning services and the organization. To this end East Central's primary goal is to provide quality services in an effective, efficient and economical manner. East Central's Performance Improvement Plan monitors and evaluates the following outcome and quality measures:

- A. **GOAL I:** To continue to maintain financial stability of the center.
- B. **GOAL II:** To continue to strengthen staff competence.
- C. **GOAL III:** To continue to improve access to care.
- D. **GOAL IV:** To continue to provide a user friendly and effective treatment environment.
- E. **GOAL V:** To continue to provide treatment services that meet applicable standards, third party requirements, contract requirements and internal quality indicators.
- F. **GOAL VI:** To continue the process of the enhancing of an Electronic Health Record.
- G. **GOAL VII:** To continue the process of sustaining the System of Care for children and adolescents.
- H. **GOAL VIII:** To continue the use of psychiatric services provided through Telemedicine.

***EAST CENTRAL MENTAL HEALTH CENTER***

***STRATEGIC PLAN***

***FY 19-21***

- I. GOAL IX: To continue to implement and monitor the CQL process.**
- J. GOAL X: To operate a 15 Bed Crisis Unit.**
- K. GOAL XI: To construct and operate a 16 Bed Secure Unit to a NGRI Unit.**
- L. GOAL XII: To continue to prepare for Medicaid Manage Care.**

**The Leadership Team collects and analyzes data related to the above stated goals. This data analysis is reviewed to effect change for effective and efficient center operation.**

**The Strategic Plan is reviewed by all stakeholders on an annual basis for needed revisions. The Board of Directors reviews, revises and approves the Strategic Plan annually at its March meeting. The annual operating budget is presented to the Board of Directors in September for approval. After finalization of sources of all revenue a final budget is prepared and presented to the Board for approval in January.**

**VII. COMMUNICATIONS:**

**The Strategic Plan is available for review by each staff member of East Central Mental Health and is discussed in general staff meeting after Board approval.**
