RE: Response to COVID-19 (rel3)
DATE: 3/19/20

**Coronavirus Disease 2019 (COVID-19) Guidance for Alabama Community Providers of Services
for Individuals with Developmental Disabilities**

Due to the health order issued today by Governor Ivey, ALL Day Habilitation programs should be closed effective today.

As shared in the previous communication, ‘Response to COVID-19 rel2’ (attached), please arrange any needed supports with respective Case Managers and Regional Offices as soon as possible.

In light of the Day Habilitation closures, we are working on a funding strategy. The plan will be released as soon as possible.

Please ensure adequate COVID-19 screening procedures and other CDC protection recommendations are in place for all individuals served and Staff.

A follow up email is forthcoming.
