Waiver	Service	Procedure Code	Unit	Rates	Notes/Limitations	Definition of Service
LAH	Pers. Care Transportation	T2001:UD	mile	\$ 0.52	Shall not replace transportation that is already reimbursable under day or residential habilitation nor the Medicaid non-emergency medical transportation program. The planning team must also assure the most cost effective means of transportation, which would include public transport where available. Transportation by a personal care attendant is not intended to replace generic transportation or to be used merely for convenience.	Personal care attendants may transport consumers in their own (the attendant's) vehicles as an incidental component of this service. For this component to be reimbursed, the personal care attendant must be needed to support the consumer in accessing the community, and not merely to provide transportation.
LAH	Benefits Counseling	H2014:UD	15 min	\$ 10.00	Limited to 60 units/15 hours per year per waiver participant. Documentation of service provided is required.	Benefits Counseling is a more intensive service provided by a Community Work Incentives Coordinator (CWIC) who will receive referrals from the BRA, case managers, family and/or service providers. CWICs will provide intensive individualized benefits counseling, benefits analysis, develop a work incentive plan and ongoing benefits planning for a participant changing jobs or for career advancement. The CWIC will work in conjunction with the BRA to develop trainings and webinars based on SSA information provided and may assist or provide trainings and education as needed. The CWIC will be available to work with waiver participants to provide information on waiver benefits and employment and may also assist with the submission of income statement and/ or Impairment Related Work Expenses (IRWE) to SSA as required to the extent needed as indicated by the individual
LAH	Benefits Reporting Assistance	H2014:UD:HW	15 min	\$ 3.00	Limited to 12 units/3 hours per month per waiver participant per year (144 units or 36 hours per year).	The Benefits Reporting Assistant (BRA) service is designed to assist waiver participants/families to understand general information on how SSI/SSDI benefits are affected by employment. The BRA will be employed by a provider agency. The BRA will receive referrals from a variety of sources, including case managers, families, service providers, and CWIC housed in each region of the state. Once the participant enters employment, the BRA will be available to answer questions, assist in the execution of the work incentive plan, and assist with the submission of income statement and/ or Impairment Related Work Expenses (IRWE) to SSA as required to the extent needed as indicated by the individual. The BRA must document services and activities
