NATIONAL SOCIAL WORK MONTH

This month, join us and the rest of THSMF in celebrating social workers around the nation. This year, the National Association of Social Work 's theme is "Social Workers are Essential."

"Social workers are essential to community well-being. As practitioners, social workers are trained to help people address personal and systemic barriers to optimal living. They are employed to effect positive change with individuals, families, groups and entire communities."

LET'S CELEBRATE

NATIONAL DOCTOR'S DAY!

March 30 is Doctors' Day, an annual observance aimed at appreciating physicians who help save our lives everywhere.

NATIONAL NUTRITION MONTH!

National Nutrition Month® is an annual campaign created by the Academy of Nutrition and Dietetics. During the month of March, everyone is invited to learn about making informed food choices and developing healthful eating and physical activity habits.
