RE: Response to COVID-19 (rel24)
DATE: 04/13/2021

COVID-19 Guidance for Alabama HCBS Waiver Service Providers
Division of Developmental Disabilities Services

COVID-19 Vaccination Clinics

Individuals age 16 and older are eligible to receive a COVID-19 vaccination. Families and individuals are being encouraged to get vaccinated. According to Governor Kay Ivey, "This vaccine is our ticket back to normal." <https://www.cbs42.com/alabama-news/watch-live-gov-kay-ivey-to-make-announcement-on-statewide-covid-19-vaccine-rollout/>

The National Guard Vaccination Clinics

The National Guard will hold clinics for individuals with appointments for second doses through the end of April. Visit <https://www.alabamapublichealth.gov/covid19vaccine/ng-clinics.html>.

Persons with disabilities in need of reasonable accommodations should contact Felicia Barrow at (334) 206-3930.

Alabama Department of Public Health Vaccination Clinics

Visit ALCovidVaccine.gov to make an appointment for COVID-19 vaccinations at county health departments. To search for a clinic at a county health department visit: <https://alpublichealth.maps.arcgis.com/apps/opsdashboard/index.html#/2b4627aa70c5450791a7cf439ed047ec>

Jefferson County Drive Thru Clinics

Monday – Thursday, 9:00 a.m. to 5:00 p.m. and Friday from 10:00 a.m. to 3:00 p.m.

Location: Birmingham-Shuttlesworth International Airport (Near the airport terminal off Aviation Avenue at the end of 50th Street North & 18th Alley across from Kaiser Aircraft Industries)

To register for an appointment, visit www.jeffcoema.org and click the green registration button. Those who do not have access to the website can call the Jefferson County Vaccine Call Center available Monday – Saturday from 8:00 a.m. to 8:00 p.m. at (205) 858-2221 to schedule. <https://www.alabamapublichealth.gov/covid19vaccine/mass-clinics.html>

Alabama Primary Health Care Association

See the attached Vaccine Press Release for additional vaccination sites.

VaccineFinder

You may also visit <https://vaccinefinder.org/search/> to find a clinic near you.

There is still more to be done to slow the spread of Covid-19. With new variants being detected around the world, providers, staff and individuals should continue to practice the following:

Providers Should:

Ensure your organization has adequate PPE supplies, sanitizing supplies, and follow CDC's guidelines, to include during transportation. Also, update and follow your Infectious Disease Emergency Plans until the end of the PHE!

Staff and Individuals Should:

Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.

- If soap and water are not readily available, **use a hand sanitizer that contains at least 60% alcohol.**
- **Avoid touching your eyes, nose, and mouth** with unwashed hands.

Stay at least 6 feet (about 2 arms' length) from other people.

Cover your mouth and nose with a mask when around others.

Clean AND disinfect frequently touched surfaces daily.

- This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.

Monitor Your Health Daily:

- **Be alert for symptoms.** Watch for fever, cough, shortness of breath, or [other symptoms](#) of COVID-19.

Please send any questions you may have relating to COVID-19, services, etc., to:

ADMH-DDD.Questions@mh.alabama.gov
