

## Critical Incident Crosswalk with Therap Data Entry Guidance

**NOTES:**

- 1) Responsible Provider at time of incident or Support Coordinator if person receives self-directed services fully completes GER in Therap®.
- 2) GER Approval timelines will be congruent with the latest notification timelines. For example, if all notification must be completed with 24 hours, then the GER must be submitted and approved within 24 hours.
- 3) For all critical/reportable incidents as listed in this crosswalk, a “Provider Form” must be completed as part of the GER submission. The Provider will initiate the “Provider Form” and provide the Level of Harm for all incidents and the Person Responsible and Classification for Medication Errors. The Regional Incident Manager will provide all other information in the “Provider Form” before closure.
- 4) The Regional Incident Manager will be responsible for completing the GERR Questionnaire for all investigations.
- 5) If the incident must be reported to DHR, DHR staff will determine if they investigate, and may or may not notify the provider.
- 6) If the “Entity Responsible for Investigation” column reflects that ADMH-DDD will be conducting the investigation, the Regional Incident Manager will notify the provider to confirm that the investigation will be conducted by ADMH-DDD staff.
- 7) ADMH-DDD may initiate an investigation for any type of critical/reportable incident if deemed an external investigation is warranted. If an ADMH-DDD Investigator is assigned to investigate, the Regional Incident Manager will notify the provider that an external investigation is being conducted.
- 8) General Event Reports (GERs) for Level of Harm 1 and 2 incidents must be submitted and approved in the Therap® system within 48 hours of initial observation or discovery of the incident. General Event Reports (GERs) for Level of Harm 3 and 4 incidents must be submitted and approved in the Therap® system within 24 hours of initial observation or discovery of the incident.

<p><b>Abuse-Sexual</b></p>	<p>Any conduct that is a crime as defined in Sections 13A-6-60 to 13A-6-70, inclusive of the Code of Alabama. Forms of sexual abuse include, but are not limited to, unwanted or non-consensual sexual contact or activity using force, coercion or threats, rape, incest, sodomy, and indecent exposure.</p> <p><b>Guidance:</b> <i>Sexual contact is defined as intercourse or any sexual act, regardless of the sex of either participant, involving the genitals of one person and the mouth or anus of another person, or any act that a reasonable person would consider to be sexual. Coercion is defined as the practice of persuading someone to do something by using force or threats. Sexual abuse may be perpetrated by anyone including but not limited to an employee, volunteer, family member, or another waiver participant (note that sexual abuse between waiver participants is classified in Therap<sup>®</sup> as assault while also being identified as suspected abuse). Sexual abuse also includes any incitement of a waiver participant to engage in any form of sexual activity with any other person. Any incident of non-consensual sexual contact between waiver participants is considered sexual abuse.</i></p>	<p><b><u>If an employee, agent, or volunteer is the suspected perpetrator:</u></b></p> <p><b><u>Under Basic Information</u></b>  <b>Event Type:</b> Other  <b>Notification Level:</b> High  <b>Abuse Suspected:</b> Yes  <b>Type of Abuse:</b> Sexual</p> <p><b><u>Under Event Information:</u></b>  <b>Event Type:</b> Abuse</p>	<p><b>Immediately:</b></p> <ul style="list-style-type: none"> <li>• MAS Nurse/Medical Personnel</li> <li>• EMS if transport to ER is necessary.</li> <li>• Supervisor/Manager/Administrator</li> </ul> <p><b>ASAP but within one hour:</b></p> <ul style="list-style-type: none"> <li>• DHR</li> <li>• RCS Office</li> </ul> <p><b>ASAP but within 24 hours:</b></p> <ul style="list-style-type: none"> <li>• Family/Guardian/Designated Contact</li> <li>• Support Coordinator</li> </ul> <p><b>Notifications Done by Regional Incident Manager within 24 hours:</b></p> <ul style="list-style-type: none"> <li>• Regional Community Services Director</li> <li>• Statewide Incident Management Coordinator</li> </ul> <p><b>Notifications done by Statewide Incident Management Coordinator within 24 hours:</b></p> <ul style="list-style-type: none"> <li>• DDD Associate Commissioner</li> <li>• Alabama Medicaid Agency</li> <li>• Bureau of Special Investigations (BSI) – BSI will notify Law enforcement as necessary.</li> <li>• Director of Community Services</li> <li>• Director of Quality Assurance</li> </ul> <p><b>**Note exceptions to this in the manual for Serious Incident Reporting to ADMH Officials in the IPMS Manual.</b></p>	<p>3 or 4</p>	<p>ADMH-DDD conducts investigation and completes GER Resolution.</p>

<p><b>Medication Error - Level 1</b></p>	<p>A Level 1 medication error is a “monitoring error” and is defined as an incident in which the person experienced no or minimal adverse consequences and no treatment or intervention other than monitoring or observation is required.</p> <p><b>Guidance:</b> <i>The MAS Nurse must be notified immediately upon discovery of any medication error, including but not limited to a documentation error. This immediate notification is necessary to allow the MAS Nurse to determine whether assessment/treatment is necessary. When completing the GER related to a Level 1 medication error, the provider must accurately complete all data fields related to the medication error including, but not limited to, Type, Cause, Medical Attention Required, Severity, Person Responsible, Person Responsible Classification, Prescriber Notified, and Errors. Simply contacting a nurse or physician to report the error with no treatment intervention, would be considered “Observe and Report Only” under the “Medical Attention Required” section. The severity level should be identified as 1.</i></p>	<p><b><u>Under Basic Information:</u></b>  <b>Event Type:</b> Medication Error  <b>Notification Level:</b> Medium</p> <p><b><u>Under Event Information:</u></b>  <b>Type:</b> Choose Appropriate Type  <b>Cause:</b> Choose Appropriate Cause  <b>Medical Attention Required:</b> Choose Appropriate Attention  <b>Severity:</b> 1</p>	<p><b>Immediately:</b></p> <ul style="list-style-type: none"> <li>• MAS Nurse/Medical Personnel</li> </ul> <p><b>ASAP but within one hour:</b></p> <ul style="list-style-type: none"> <li>• Supervisor/Manager/Administrator</li> </ul> <p><b>ASAP but within 24 hours:</b></p> <ul style="list-style-type: none"> <li>• RCS Office</li> <li>• Family/Guardian/Designated Contact</li> </ul> <p><b>ASAP but within 48 hours:</b></p> <ul style="list-style-type: none"> <li>• Support Coordinator</li> </ul>	<p>1</p>	<p>N/A</p>

Critical Incident Type	Critical Incident Definition	Therap <sup>®</sup> Data Entry Instructions	Providers Must Notify the Following Within the Prescribed Timelines	Level of Harm	Entity Responsible for Investigation
<p><b>Medication Error – Level 2</b></p>	<p>A Level 2 medication error is a “treatment/intervention error” and is defined as an incident in which the person experienced short-term, reversible adverse consequence(s), and treatment or intervention in addition to monitoring is required.</p> <p><b>Guidance:</b> <i>The MAS Nurse must be notified immediately upon discovery of any medication error. This immediate notification is necessary to allow the MAS Nurse to determine whether assessment/treatment is necessary and to initiate investigation of the error. Sending a waiver participant to the emergency room (but not subsequently being admitted to the hospital) in response to a medication error would be an example of a Level 2 medication error. When completing the GER related to a Level 2 medication error, the provider must accurately complete all data fields related to the medication error including, but not limited to, Type, Cause, Medical Attention Required, Severity, Person Responsible, Person Responsible Classification, Prescriber Notified, and Errors. A Level 2 medication error must also be reported on a Medication Error Report (Form NDP-4 – Appendix G) completed by the MAS RN/LPN. When completed, the Medication Error Report should be emailed directly to the Alabama Department of Mental Health Nurse Delegation Program (ADMH/NDP) Office within 24 hours after notification/discovery of the error. All requested information should be provided with a description of the error focusing on the outcome to the waiver participant – signs, symptoms, ER visit, etc. A copy of the completed Medication Error Form must also be attached electronically to the GER. The severity level should be identified as 2.</i></p>	<p><b>Under Basic Information:</b>  <b>Event Type:</b> Medication Error  <b>Notification Level:</b> Medium</p> <p><b>Under Event Information:</b>  <b>Type:</b> Choose Appropriate Type  <b>Cause:</b> Choose Appropriate Cause  <b>Medical Attention Required:</b> Choose Appropriate Attention  <b>Severity:</b> 2</p>	<p><b>Immediately:</b></p> <ul style="list-style-type: none"> <li>• MAS Nurse/Medical Personnel</li> <li>• EMS if transport to ER is necessary.</li> </ul> <p><b>ASAP but within one hour:</b></p> <ul style="list-style-type: none"> <li>• Supervisor/Manager/Administrator</li> </ul> <p><b>ASAP but within 24 hours:</b></p> <ul style="list-style-type: none"> <li>• RCS Office</li> <li>• Family/Guardian/Designated Contact</li> <li>• Medication Error Report required to ADMH Director of Nurse Delegation</li> </ul> <p><b>ASAP but within 48 hours:</b></p> <ul style="list-style-type: none"> <li>• Support Coordinator</li> </ul>	<p>2</p>	<p>N/A</p>

Critical Incident Type	Critical Incident Definition	Therap® Data Entry Instructions	Providers Must Notify the Following Within the Prescribed Timelines	Level of Harm	Entity Responsible for Investigation
<p><b>Medication Error – Level 3</b></p>	<p>A Level 3 medication error is a “sentinel event” and is defined as an incident in which the person experienced life threatening and/or permanent adverse consequence(s).</p> <p><b>Guidance:</b> <i>The MAS Nurse must be notified of any medication error immediately upon discovery of the error. This immediate notification is necessary to allow the MAS Nurse to determine what assessment/treatment is necessary and to initiate investigation of the error. A waiver participant requiring a hospital admission or loss of bodily function in response to a medication error would be an example of Level 3 medication error. When completing the GER related to a Level 3 medication error, the provider must accurately complete all data fields related to the medication error including, but not limited to, Type, Cause, Medical Attention Required, Severity, Person Responsible, Person Responsible Classification, Prescriber Notified, and Errors. A Level 3 medication error must also be reported on a Medication Error Report (Form NDP-4 – Appendix G) completed by the MAS RN/LPN. When completed, the Medication Error Report should be emailed directly to the Alabama Department of Mental Health Nurse Delegation Program (ADMH/NDP) Office within 24 hours after notification/discovery of the error. All requested information should be provided with a description of the error focusing on the outcome to the waiver participant – signs, symptoms, hospital admission, etc. A copy of the completed Medication Error Form must also be attached electronically to the GER. The severity level should be identified as 3.
