MEMORANDUM
24-COMM-01

TO: Providers and Partners of ADMH
FROM: Kimberly Boswell, Commissioner
DATE: March 21, 2024
RE: Office of Child and Family Services

To better coordinate and strengthen services the ADMH and its providers offer to children and families, the Office of Child and Family Services was established in October 2023.

The office is guided by the priorities and needs across the lifespan of Alabama children, families, and communities. The Office of Child and Family Services provides resources, support, education and training to providers and partners.

We have reorganized existing offices and programs in order for staff to be physically and virtually closer, improving the continuum of care for those we serve. Beverly Johnson is the Director of the Office of Child and Family Services.

Please see the attached ADMH Organizational Chart and the Office of Child and Family Services Organizational Chart. You can view the office webpage at: <https://mh.alabama.gov/child-and-family-services/>.
