ACSIS Data Element Dictionary Client Profile

03/21/2024

ADDATE

Field Name Admission Date

Type Character Length 10 Decimal 0 Requirement Y - Required

Description Date of client's first admission or new admission date after termination or administrative closure

Comments Report in MM/DD/YYYY format

ARRESTS

Field Name Number of Arrests

Type Character Length 2 Decimal 0 Requirement Y - Required

Description Number of arrests in past 30 days at admission/annual update/discharge

Comments Use both digits (i.e. number of arrests is 3 then enter 03)

CLIENT

Field Name Client Case Number

Type Character Length 6 Decimal 0 Requirement Y - Required

Description Case number assigned to the client by the CMHC

DIAG1

Field Name Primary Diagnosis

Type Character Length 7 Decimal 0 Requirement Y - Required

Description Primary Diagnosis at admission/annual update/discharge

Comments ICD-10-CM (Effective 10/01/2015) - Do not include decimal point

DIAG2

Field Name Secondary Diagnosis

Type Character **Length** 7 **Decimal** 0 **Requirement** R - Report if available

Description Secondary Diagnosis at admission/annual update/discharge

Comments ICD-10-CM (Effective 10/01/2015) - Do not include decimal point

DIAG3

Field Name Tertiary Diagnosis

Type Character **Length** 7 **Decimal** 0 **Requirement** R - Report if available

Description Tertiary Diagnosis at admission/annual update/discharge

Comments ICD-10-CM (Effective 10/01/2015) - Do not include decimal point

EDUCATION

Field Name Highest Grade Completed

Type Character **Length** 2 **Decimal** 0 **Requirement** Y - Required

Description Code for highest grade completed by client or current grade level if in school at admission/annual update/discharge

Value	Description	Definition	Status	Status Date
00	Kindergarten		Α	07/18/2014
01	First Grade		Α	07/18/2014
02	Second Grade		Α	07/18/2014
03	Third Grade		Α	07/18/2014
04	Fourth Grade		Α	07/18/2014
05	Fifth Grade		Α	07/18/2014
06	Sixth Grade		Α	07/18/2014
07	Seventh Grade		Α	07/18/2014
80	Eighth Grade		Α	07/18/2014
09	Ninth Grade		Α	07/18/2014
10	Tenth Grade		Α	07/18/2014
11	Eleventh Grade		Α	07/18/2014
12	Twelfth Grade		Α	07/18/2014
13	GED		Α	07/18/2014
14	Some Education beyond High School		I	10/01/2014
15	Associate Degree		[10/01/2014
16	Bachelor's Degree		Α	07/18/2014
17	Master's Degree		Α	07/18/2014
18	Doctorate	M.D., Ph. D., Sc. D., J.D., Ed. D., D.O.for example	Α	07/18/2014
19	No Formal Education	For clients 3 years and older	Α	07/18/2014
20	Special Education		Α	07/18/2014

26	College Senior	4th year	Α	10/01/2014
	Non School Age Child	Less than 3 years old	Α	10/01/2014

EMPLOY

Field Name Employment status

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Employment status of client at admission/annual update/discharge

Value	Description	Definition	Status	Status Date
Α	Full-time		Α	07/18/2014
В	Part-time		Α	07/18/2014
С	Unemployed	Actively looking for work or laid off from job (and awaiting to be recalled) in the past 30 days	Α	07/18/2014
D	Homemaker		Α	07/18/2014
E	Student		Α	07/18/2014
F	Retired		Α	07/18/2014
G	Disabled		Α	07/18/2014
Н	Inmate of Institution		Α	07/18/2014
I	Not Looking for Work	Not looking for work over the past 30 days (i.e. people not interested to work or people who have been discouraged to look for work).	Α	07/18/2014
S	Supported Employment		Α	07/18/2014
Т	Sheltered/Non-competitive Employment		Α	10/01/2014
U	Not Applicable	Client under age 16	Α	10/01/2014
Code S	Status: A - Active; I - Inactive			

FAMINCOME

Field Name Family Annual Income

Type Character Length 11 Decimal 2 Requirement Y - Required

Description Client's annual family income at admission/annual update/discharge

FAMSIZE

Field Name Number in family

Type Character Length 2 Decimal 0 Requirement R - Report if available

Description Include spouse, natural and adopted children, and legal parent(s) if client is a child/adolescent. Update at

admission/annual update/discharge

Comments Use both digits (i.e. family size is 3 then enter 03)

FIRSTN

Field Name First name of Client

Type Character Length 15 Decimal 0 Requirement Y - Required

Description First Name of the Client

Comments Complete first name, not initial

GUARDSHIP

Field Name Guardianship code

Type Character Length 3 Decimal 0 Requirement Y - Required

Description Guardianship Code at admission/annual update/discharge

Value	Description	Definition	Status	Status Date
101	Legally appointed guardian		Α	07/18/2014
103	None	An example is child living with natural parent	Α	07/18/2014
104	DHR Custody		Α	07/18/2014
105	DYS Custody		Α	07/18/2014
106	DMH Custody	Child/Adolescent	Α	10/01/2014
Code S	Status: A - Active; I - Inactive			

HEARING

Field Name Hearing Status of client

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Code to identify functional hearing status of client at admission/annual update/discharge

Value	Description	Definition	Status	Status Date
1	Hearing	Person whose hearing is within normal range and exhibits no significant functional impairment of communication	Α	07/18/2014
2	Hard of Hearing	Person with a hearing loss, either unilaterally or bi-laterally, who with or without amplification, can understand spoken language in some settings	Α	07/18/2014
3	Deaf	Person with a hearing loss who, with or without amplification, cannot understand spoken language.	Α	07/18/2014
Code S	Status: A - Active; I - Inactive			

HISPANIC

Field Name Hispanic origin of client

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Hispanic origin of client based on federal reporting guidelines at admission/annual update/discharge

Value	Description	Definition	Status	Status Date
1	Not of Hispanic Origin		Α	07/18/2014
2	Puerto Rican		Α	07/18/2014
3	Cuban		Α	07/18/2014
4	Other Hispanic		Α	07/18/2014
5	Mexican/Mexican American		Α	07/18/2014
Code S	Status: A - Active; I - Inactive			

INCOME

Field Name Client Annual Income

Type Numeric Length 11 Decimal 2 Requirement Y - Required

Description Amount of the client's annual income at admission/annual update/discharge

Comments Amount of the client's annual income

LANGUAGE

Field Name Language of preference

Type Character Length 2 Decimal 0 Requirement Y - Required

Description Language in which client prefers to communicate

Value	Description	Definition	Status	Status Date
01	English		Α	10/01/2014
02	ASL	American Sign Language	Α	10/01/2014
03	Arabic		Α	10/01/2014
04	Chinese		Α	10/01/2014
05	French	French, French Creole, Cajun	Α	10/01/2014
06	German		Α	10/01/2014
07	Hindi		Α	10/01/2014

09	Japanese		Α	10/01/2014
10	Korean		Α	10/01/2014
11	Laotian		Α	10/01/2014
12	Other African languages		Α	10/01/2014
13	Other Asian languages		Α	10/01/2014
14	Other European languages		Α	10/01/2014
15	Other Indic languages		Α	10/01/2014
16	Persian		Α	10/01/2014
17	Spanish	Spanish and Spanish Creole	Α	10/01/2014
18	Tagalog		Α	10/01/2014
19	Vietnamese		Α	10/01/2014
Code S	Status: A - Active; I - Inactive			

LASTN

Field Name Client Last Name

Type Character Length 20 Decimal 0 Requirement Y - Required

Description Client's Last Name

Comments Complete last name, not initial

LASTUPDT

Field Name Date Record Last Updated

Type Character Length 10 Decimal 0 Requirement Y - Required

Description The date the record was last updated

Comments Report in MM/DD/YYYY format

LEGAL

Field Name Legal status of client

Type Character Length 2 Decimal 0 Requirement Y - Required

Description Legal status of client at admission/annual update/discharge

Value	Description	Definition	Status	Status Date
01	Voluntary		Α	07/18/2014
03	Involuntary Criminal		I	07/18/2014
05	Not Guilty by Reason of Insanity		Α	07/18/2014
06	Juvenile Court		Α	07/18/2014
07	Involuntary Civil - Outpatient		Α	07/18/2014
80	Involuntary Civil - Inpatient		Α	07/18/2014
09	Other Court Ordered	Local criminal or Federal criminal court order	Α	07/18/2014
Code S	Status: A - Active; I - Inactive			

LONGDOB

Field Name Client Date of Birth

Type Character Length 10 Decimal 0 Requirement Y - Required

Description Date of birth of the client

Comments Report in MM/DD/YYYY format

MAILADD1

Field Name Mailing Address Street

Type Character Length 30 Decimal 0 Requirement Y - Required

Description Client's Mailing Street Address at admission/annual update/discharge

MAILCITY

Field Name Mailing Address City

Type Character Length 15 Decimal 0 Requirement Y - Required

Description City of Client's mailing address at admission/annual update/discharge

MAILCNTY

Field Name County of residence

Type Character Length 3 Decimal 0 Requirement Y - Required

Description Code to denote client's county of residence at admission/annual update/discharge

REFDATE

Field Name Referral Date

Type Character Length 10 Decimal 0 Requirement Y - Required

Description Date the client was referred to CMHC

Comments Report in MM/DD/YYYY format

REFDECLINE

Field Name Referral Decline Reason

Type Character Length 2 Decimal 0 Requirement C - Conditionally required bas

Description Reason client or family declined CMHC Services (from Referral)

Comments Code Table. Cannot be blank if REFOUTCOME is "D"

Value	Description	Definition	Status	Status Date
01	Individual Declined Services		Α	04/01/2021
02	Family Declined Services		Α	04/01/2021
03	Does not Meet Service Criteria for SMI		Α	04/01/2021
04	Does not Meet Service Criteria of SED		Α	04/01/2021
05	No Decision after Multiple Attempts		Α	04/01/2021
Code S	Status: A - Active; I - Inactive			

REFOUTCOME

Field Name Referral Outcome

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Code that indicates whether the client or family accepts or declines CMHC services

Value	Description	Definition	Status	Status Date
Α	Accepted		Α	04/01/2021
D	Declined		Α	04/01/2021
Code S	Status: A - Active; I - Inactive			

REFOUTDATE

Field Name Referral Outcome Date

Type Character Length 10 Decimal 0 Requirement Y - Required

Description Date the CMHC determined the referral outcome and communicated determination to referral source

Comments Report in MM/DD/YYYY format. Must be reported if REFOUTCOME is reported. Date must be on or after REFDATE. For example, if there was a referral from a hospital, this is the date the CMHC determined whether an Intake should or should not occur; if the CMHC communicates the referral outcome on a different date than the determination date, this field should record the latest date.

REFSOURCE

Field Name Referral Source

Type Character Length 2 Decimal 0 Requirement Y - Required

Description The source of referral to the CMHC

Value	Description	Definition	Status	Status Date
01	DHR		Α	04/01/2021
02	DYS		Α	04/01/2021

SADIAG1

Field Name Substance Abuse Diagnosis

Type Character **Length** 7 **Decimal** 0 **Requirement** R - Report if available

Description Substance Abuse Diagnosis at admission/annual update/discharge

Comments ICD-10-CM (Effective 10/01/2015) - Do not include decimal point

SBMHSCHOOL

Field Name School Identifier

Type Character **Length** 4 **Decimal** 0 **Requirement** R - Report if available

Description School identifier for School-based Mental Health services

Comments Required if client is receiving school-based mental health services. All 4 digits are required.

SBMHSSID

Field Name SBMH Student Identifier

Type Character Length 10 Decimal 0 Requirement R - Report if available

Description Student Identifier for client receiving School-based Mental Health Services

Comments Required if client is receiving school-based mental health servcies

SBMHSYSTEM

Field Name School System/LEA Identifier

Type Character **Length** 3 **Decimal** 0 **Requirement** R - Report if available

Description School system identifier for School-based Mental Health services

Comments Required if client is receiving school-based mental health services. All 3 digits are required.

SCHOOLTYPE

Field Name Type School attended

Type Character Length 2 Decimal 0 Requirement Y - Required

Description Type of School Attended at admission/annual update/discharge if attending school

Value	Description	Definition	Status	Status Date	
01	Traditional		Α	07/21/2014	
02	Special Ed Inclusion		Α	07/21/2014	
03	Special Ed Exclusions		Α	07/21/2014	
04	Home Bound		Α	07/21/2014	
05	Alternative		Α	07/21/2014	
06	Home Schooled		Α	07/21/2014	
07	Too Young To Attend		Α	07/21/2014	
Code Status: A - Active; I - Inactive					

SEX

Field Name Sex of client

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Client's sex

Value	Description	Definition	Status	Status Date
F	Female		Α	07/21/2014
М	Male		Α	07/21/2014
Code S	Status: A - Active; I - Inactive			

SIGHT

Field Name Sight status

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Sight status of client

Value	Description	Definition	Status	Status Date
1	No loss or vision corrected	No vision loss or vision corrected to normal by glasses or contacts	Α	10/01/2014
2	Partially sighted	Client has some type of visual problem with need of special assistance	Α	10/01/2014
3	Legally blind	Client has less than 20/100 vision in better eye after correction	Α	10/01/2014
4	Totally blind	Client has no light perception, total visual impairment	Α	10/01/2014
Code S	Status: A - Active; I - Inactive			

SMI

Field Name SMI/SED status

Type Character Length 1 Decimal 0 Requirement Y - Required

Description Code to indicate if client meets SMI or SED criteria at admission/annual update/discharge

Comments Code Table - Refer to Exhibit MI-2 of the MI Community Service Programs contract for definitions in code table

Value	Description	Definition	Status	Status Date
1	SMI	Adult who meets the diagnosis and disability criteria for serious mental illness	Α	07/21/2014
2	SMI Contract Eligible History	Adult with a history of DMH supported inpatient or public residential treatment as a result of an Axis I mental illness diagnosis	Α	07/21/2014
3	SMI Contract Eligible Risk	Adult who would become at imminent risk of needing inpatient hospitalization without outpatient intervention	Α	07/21/2014
4	SED	C/A separated from family (out-of-home placement	Α	07/21/2014
5	SED Functional Impairment		Α	07/21/2014
6	SED Symptoms		Α	07/21/2014
7	SED Separation Risk		Α	07/21/2014
N	Not SMI or SED	Does not meet SMI/SED or Contract Eligibility Criteria	Α	07/21/2014
U	Undetermined	SMI/SED Status Undetermined	Α	07/21/2014
Code Status: A - Active; I - Inactive				

SSN

Field Name Social security number

Type Character Length 11 Decimal 0 Requirement Y - Required

Description Client's SSN. If unknown, provide a pseudo SSN

Comments A pseudo SSN consists of "S" + last two digits of the ORGID + Client's 6 digit case number (I.e. S06-09-3243)

TERMDATE

Field Name Termination Date

Type Character Length 10 Decimal 0 Requirement C - Conditionally required bas

Description Date record closed

Comments Report in MM/DD/YYYY format

TREASON

Field Name Termination reason

Type Character Length 1 Decimal 0 Requirement C - Conditionally required bas

Description Reason client services terminated

Comments Code Table - Required if TERMDATE not = BLANK
