1428 Portable and Temporary Structures

The cost of mobile homes, prefab buildings, sheds, trailers, and similar structures that are **NOT** installed on the land and, therefore, do **NOT** have a State Auditor property number. Such structures typically are temporary, as evidenced by being constructed on wheels, having temporary utility connections, lacking tie-downs, and lacking a foundation. See **1217** for similar items that are installed on the land in a relatively permanent manner.

1429 Equipment for Rental Property

The cost of equipment for use in State-owned rental property, such as furniture, appliances, and electronic items

1430 Works of Art and Historical Treasures – Inexhaustible

1464 Office Furniture and Equipment Acquired by Capital Lease

Records the acquisition of office furniture or equipment by a governmental fund at the inception of a capital lease (offsetting entry must be to revenue source **0751**)

1469 Data Process Equipment Acquired by Capital Lease

Records the acquisition of data processing equipment by a governmental fund at the inception of a capital lease (offsetting entry must be to revenue source **0751**)

1470 Printing/Reproduction Equipment Acquired by Capital Lease

Records the acquisition of printing or reproduction equipment by a governmental fund at the inception of a capital lease (offsetting entry must be to revenue source **0751**)

1471 Communication Equipment Acquired by Capital Lease

Records the acquisition of communication equipment by a governmental fund at the inception of a capital lease (offsetting entry is to revenue source **0751**)

1472 Scientific/Technical Equipment Acquired by Capital Lease

Records the acquisition of scientific and technical equipment by a governmental fund at the inception of a capital lease (offsetting entry must be to revenue source **0751**)

1479 Indirect Cost

For Department of Transportation only

1488 Other Equipment Acquired by Capital Lease

Records the acquisition of other equipment **NOT** otherwise by a governmental fund classified at the inception of a capital lease (offsetting entry must be to revenue source **0751**)

1490 Equipment Betterments

Records the cost of additions to equipment

1499 Other

All non-transportation equipment purchases **NOT** otherwise classified in the preceding categories

1500 Debt Service

Major object established to account for the payment of interest, principal, and incidental costs on all debt obligations of the State.

1501 Principal

Payment of principal amounts on bond or note indebtedness

1502 Interest

The amount of interest paid on debt

1503 Refunding Bonds - Principal

Principal paid on refunding bonds

1504 Refunding Bonds - Interest

Interest paid on refunding bonds

1505 Arbitrage Rebate Expense

Amounts paid to the Federal government for arbitrage on any type of bonds

1506 Payments to Refunded Bond Escrow Agent (ACFR)

Records the transfer of refunding bond proceeds (revenue source **0753**), from a governmental fund to an agency fund where it is held in escrow and the bonds are considered defeased

1507 Securities Lending Borrower Rebates

Securities Lending Borrower Rebates

1508 Current Refunding to Bondholder

Current Refunding to Bondholder

1509 Securities Lending Management Fees

Securities Lending Management Fees

1512 Interest - Nonoperating Expense

For proprietary funds only. The amount of interest paid on debt that is **NOT** directly related to a proprietary fund's primary activity

1513 Other Debt Refunding Uses-ACFR

For Comptroller's Office use only, for ACFR reporting

1579 Indirect Cost

For Department of Transportation use only

1598 Other Debt Service - Nonoperating Expense

For proprietary funds only. Incidental bond sale expenses, amortization of bond issuance costs, and other non-operating debt service costs, other than interest (see **1502**)

1599 Other Debt Service

Incidental bond sale expenses and other debt service costs **NOT** otherwise classified in the preceding categories

1600 Miscellaneous

Major object established to account for operating transfers, distributions of State revenue, and expenses ***NOT*** otherwise classified in the preceding major objects

1604 Reversions

The return of unspent money to the fund from which it was originally transferred

1605 Transfers

All operating transfers ***NOT*** otherwise classified. The receiving fund should code to revenue source **0800**

1606 Prior-Year Refunds

Refund of revenue that was collected in a previous budget fiscal year. Refunds of revenue collected in the current budget fiscal year are coded to the same revenue source as the original cash deposit.

ACFR Issues: If the refund payment is a prior period adjustment, an ACFR JV is needed to debit revenue and credit **1606** (account type 24). It is ***NOT*** a prior-period adjustment if the liability was accrued with an ACFR JV in the previous fiscal year. Also, it is ***NOT*** a prior-period adjustment if the refund results from a current-year change in eligibility (i.e., the eligibility requirements are no longer met, or the current year fails to comply with purpose restrictions within the specified time limit.) If the prior-year refund is netted against a drawdown in the current year and is a result of a current-year change in eligibility, then an ACFR JV is needed to debit **1606** (account type 24) and credit revenue

1608 Capital Asset Transfers

Transfer of capital asset from a proprietary fund

1640 Intra Fund Class Transfers

Records transfers made between two funds of the same fund class. A fund class represents a GAAP basis (and sometimes legal basis) fund, but multiple budgetary funds are sometimes needed for operations.

Using this code eliminates excessive revenues and expenditures generated by transfers within a fund class.

1641 General Fund Transferred Cash

For Comptroller's Office to record transfers of cash among the General Fund sub-funds 100-199

1644 Intra-General Fund Reversions

Accounting Code Structures for Revenues

The Accounting code structure used by the ADMH for revenues consists of six (6) State fund components and eight (8) Federal fund components.

State Funds

Fund	Agency	Unit	Rev. Source	Dept. Rev.	Activity	Maj. Prog.	Prog.
XXXX	XXX	XXX	XXXX	XXXX	XXXX	XXXXXX	XXXXXX

Example: 0661-061-0404-0961-MISC-DC53

Federal Funds

Fund	Agency	Unit	Rev. Source	Dept. Rev.	Activity	Maj. Prog.	Prog.
XXXX	XXX	XXX	XXXX	XXXX	XXXX	XXXXXX	XXXXXX

Example: 0661-061-0217-0839-FDGR-4420-21SACV-214420

Explanation of Revenue Codes

Fund – four-digit number identifying the source of funds

Agency – three-digit number identifying the ADMH; also called a “Department” number in STAARS Financial; always **061**

Appropriation Class – three-digit number identifying location of funds appropriated during the Legislative process

Object – four-digit number identifying detailed expense type

Function – four-digit number identifying service functions of the applicable Division/service areas

Unit – four-digit number identifying a unit of budgetary responsibility, such as a specific group or program. **If using Federal funds, the unit code is always four (4) zeros (0000).**

Reporting – ten-digit number identifying reporting levels within an applicable function

Revenue Source – four-digit number identifying the detailed source of funds, as defined by the Comptroller’s Office

Department Revenue – four-digit number identifying the source of funds, as defined by the ADMH

Activity – four-digit number identifying a group within a Division, as defined by the ADMH

Major Program – six-digit number identifying a specific grant or purpose, as defined by the ADMH

Program – six-digit number identifying specific years or programs within a major program code, as defined by the ADMH
